RE: Supplement to the notice of *Ex Parte* Communication, MB Docket No. 09-182 (2010 Quadrennial Review), MB Docket No. 07-294 (Diversity Proceeding)

Dear Ms. Dortch:

This is written to clarify our December 3, 2012 Notice of *Ex Parte* Communications reporting on meetings on November 29 with Commissioner Jessica Rosenworcel, Chairman Julius Genachowski, and the Media Bureau and other offices.

MMTC does not support further relaxation of the duopoly rule or (except for incubator waivers premised on the creation of a new voice) the local radio ownership caps and subcaps. MMTC does not oppose crossownership relief if, as applied, it would not diminish or operate detrimentally to minority ownership. The “as applied” caveat is important and we will flesh it out shortly. MMTC has not taken a position on the radio/TV crossownership rule.

Respectfully submitted,

David Honig
